

Affiliate Programs

Helping You Add Value and Fulfill Customer Demand

Secure Your Role as Trusted Advisor

Your client's choice in service providers can impact your relationship with them. MPAY understands the importance of these relationships and your role as a trusted advisor. That is why MPAY has developed affiliate programs that will complement and strengthen your business.

Our affiliate programs can help you:

- Acquire new customers
- Retain existing customers
- Create new revenue opportunities
- Integrate your business processes
- Offer a full suite of business solutions
- Gain access to client data (census reporting, general ledger, etc.)

Offer a Full Suite of Solutions

MPAY's Affiliate Programs offer revenue commissions for you or your business, while providing value-added services to your clients.

With these programs, you can confidently refer or resell the following solutions tailored to your clients' needs:

- Payroll Administration
- Flexible Benefits Administration
- COBRA Administration
- Time and Labor Management

A Strategy for Success

Benefits and Insurance, Accounting, Financial Advising, HR Consulting and other industries can count on MPAY as a strategic extension of their business. MPAY offers personal customer service, building relationships and retaining business longer - a strategy for success.
