MPAY Inc. Awarded 2011 Inc. 500 | 5000 Fastest-Growing Private Companies
5th consecutive year leading payroll provider recognized by prestigious national list

Nationwide- August 24, 2011- MPAY Inc., a nationally recognized provider in software and services to independent payroll and business service providers is proud to announce their 5th consecutive year of being honored as one of Inc. Magazine's top 5,000 fastest-growing privately held companies. This year MPAY has been ranked 3,622 on the magazine's list with an industry standing of 165.

"We feel privileged to be named amongst some of America's top businesses," says MPAY CEO, Geoffrey Duke. "MPAY has grown tremendously in the past year, an achievement that can be credited to our dedicated staff, new business model and top notch payroll software. In today's challenging economy, continuing success is a significant accomplishment and we're delighted to be recognized on a national level by Inc."

The annual Inc. list represents a widespread look at an important sector of the country's economy- independent minded entrepreneurs. The leaders of these companies have learned how to overcome very hard times and MPAY plans on continuing to grow alongside America's most determined and innovative businesses for years to come.

About MPAY's Programs

MPAY offers a complete spectrum of payroll products and related services directly to employers and through professional firms wishing to offer B2B services to their clients. MPAY's programs allow professional firms an opportunity to generate additional revenues from existing and new clients by adding products and services to their traditional services portfolio. MPAY's strategic partners gain access to a turn-key platform while MPAY manages the data processing and financial transactions for payroll services, time and labor management, and benefit plan administration.

About MPAY Inc.

MPAY Inc. was established in 1995 and provides payroll software, labor management systems and benefit administration services to over fifty-four thousand employers directly and through a national network of over 135 strategic partners. Strategic partners include some of the nation's leading payroll service bureaus, accounting firms, employee benefit brokers, financial

institutions and human resource outsourcing (HRO) organizations. MPAY is a member of the American Payroll Association, Independent Payroll Providers Association, and The Payroll Group, and a partner with the Smaller Business Association of New England. MPAY has also ranked on the Inc. 5000 List of America's Fastest Growing Private Companies for the last four consecutive years.
