

Manage Payroll Processing With Ease

With our online solution, you simply log on to Payentry.com and enter payroll hours - we handle the rest.

- Conserve time. Payroll is handled quickly with our user-friendly, easy-to-operate system.
- Process payroll accurately. View payroll information before it is processed with our pre-processing register.
- Know your payroll expense. With instant calculation of wages, taxes, and deductions, estimating your total payroll expense is easy.

Stay Focused on Your Business

Get the most out of your workday by staying focused on your core business.

- Get employees paid. Don't spend your entire payday tracking down employees. An unlimited number of direct deposits can be set up for employees to receive their pay directly into their bank accounts.
- Cut paper costs and get environmentally friendly. Allow employees to access pay stubs, pay history, and other payroll information online including their W-2 or 1099 with Employee Self Service.
- Stay maintenance free. Don't waste another minute on tedious upgrades and maintenance- these are handled for you!

About Payentry.com

Payentry.com leverages the power of the internet to securely deliver a high-performance, secure, and reliable website for payroll and human resource management. Backed by audited processes, Payentry.com ensures your confidential employee and payroll data are protected.

Manage Your Human Resources

With Payentry.com, you get secure access to payroll data - anytime and anywhere.

- Manage employees' vacation, sick, and other time off with accrual tracking
- Track important employee data; such as, education levels, dependents, emergency contacts, union affiliation, reviews, EEOC classification, and more
- View employees' past compensation by check date or desired date range

Get the Most out of Your Payroll System

Payentry.com boasts exceptional, easy-to-use features and functionality.

- Calculate impromptu manual checks with an internal check calculator
- Access payroll data on-demand with over 60 standard reports
- Provide key personnel (internal or external) with payroll data via multiple output options
- Extract data in multiple formats based on your unique business needs (general ledger, etc.)

Simple & Secure
Processing Payroll Has Never Been Easier.
